

# Therapy Dog Training

**3 classes – \$75**

**PVKC Members \$60**

Prerequisite: Dogs must be friendly and obedient, and must enjoy being around people and other dogs and animals. CGC is recommended, but not required. Dogs must be at least one year old to take the test. These four classes are designed to introduce you and your dog to the world of therapy dogs. You will become familiar with the skills and knowledge necessary to do therapy work with your dog through Alliance of Therapy Dogs. After completing these 3 classes, those interested in becoming a certified Therapy Dog may be ready to take the Alliance of Therapy Dogs test. The test will be offered on Oct 9, at no additional fees.
