PVKC Will Help Light Up the Franklin County Fairground

PVKC will be a participant in Franklin County Fairgrounds, **Light Up The Fair – Create an Outdoor Light Display:** Individuals, families, businesses and organizations are invited to design and build their own holiday light display for the drive through portion. There is NO COST to enter, and visitors will vote for their favorites — with cash prizes up to $500!

We are bringing Sam (our giant wooden dog) out of storage and putting him to work as a PVKC Holiday Light Display. If you are creative, enjoy decorating, love lights, and would like to help build the display, you can join the team – Contact Trish at ***Ashfield1231@yahoo.com***

Not interested in working on the display, you can still support the club without getting out of your car. This is a drive through experience, cost $5 per car. Load your car up and make sure all your passengers receive a ballot. We would appreciate your vote for PVKC, this will help us achieve a cash award at the conclusion of the event.

Light Up the Fairgrounds will take place November 28 & 29 and December 4, 5, 6, 11 & 12

at the Franklin County Fairgrounds.
