

Prepare for PVKC's April 26th FDC, ATT, and Fetch Tests

Prepare for PVKC's April 26th Farm Dog Certification Test, AKC Temperament Test and/or Fetch Test. Participating teams can try any or all venues. Participants will have an opportunity to practice the test elements, working at various stations to build confidence in their dog. Handlers will learn the rules and requirements from certified evaluators. Day of entries are accepted at the 4/26th trials (space permitting).

Try it – Not sure if your dog has the willingness or skill set for these tests. Open to anyone with an interest in learning more about the test and giving it a try. You may find you are ready for testing. It's a great opportunity just to have a good time with your dog and learn some new skills.

Entry forms for the Tests will be available and can be hand submitted at this drop-in as a pre-entry.

\$10 Trial with pre-Entry; \$15 non-Trial participant

Monday, April 7 – 6-7:30pm

**Drop-in, but Reservations are requested
and helpful for our planning**

to reserve a place in these classes
